The Honorable Jason Willis, Mayor,  
and Members of the City Council  
City of St. Martinville, Louisiana

I submit to you the budget for the fiscal year 2026, beginning July 1, 2025. This budget satisfies the legal requirement of filing as set forth under R.S. 39:1316 since the consolidated budget statement uses the uniform revenue and expenditure classifications and includes information similar to the information required by the form Annual Report on the Budget. This budget represents a continuation of present service levels. The budget is fiscally conservative and expenditures are budgeted within anticipated revenues. The budget documents attached include anticipated revenues and expenditures for the General Fund, Utility Fund, Capital Projects Fund, Section 8 Fund, and the Debt Service Fund. Also attached is a Capital Outlay Budget Request, which includes items for all funds. Additionally, the documents provide significant information on the various programs of the City. There are certain significant aspects of the budget which are detailed below:

#### **SALARIES AND WAGES:**

Salaries and wages for all employees except those in the Public Safety Department (no increase) and all elected officials (no increase) reflect a 2% increase over the fiscal year 2025. The increased cost included in the 2026 budget is approximately \$84,000, which reflects increases to the appointed positions, Lorrie Poirier(Clerk), Brian Francis (Street Superinteant), Mike Douet (Ultity Superintendant).

#### **GOVERNMENTAL FUNDS:**

Expenditures have been increased or decreased over/under the previous year on a line-item basis for each revenue source and expenditure function.

#### **CAPITAL OUTLAY:**

The budget includes a capital outlay request of numerous items listed on Page 4 of the budget document totaling \$ 8,814,383

#### **UTILITY FUND:**

Utility expenses have been increased or decreased over/under the prior year on a line-item basis. Utility rates reflect a % increase in Water and Sewer Departments and an increase in Customer Charges in the Electric Department as shown below. The number of
